TRADESHOW HIGHLIGHTS

EXHIBITORS' PROFILE

[Scienz.net \(Expenovate Pte Ltd\)](http://www.scienz.net)

Scienz.net is a catalogue of experiential science resources, to support hands-on-learning in Singapore. It has more than 1400 products from anatomical models, science kits, microscopes, dataloggers, science kits and many more. We are now being recognised at the de-facto one-stop shop for all experiential science resources with a reasonable price point.

Among its well-known products are Learning Resources, Educational Insights, Thames and Kosmos Science Kits, Science Cube dataloggers, P3D science simulation software and many more.

Visit us at www.scienz.net. Scienz.net is part of Expenovate Pte Ltd
